THE SMASH GEARS UP FOR GREATEST YEAR EVER!

Kent's Premier 100 ball midweek cricket competition *The Smash* is back for its fifth year with organisers commenting that "preparation for the competition is ramping up - groups are in the process of being finalised so watch out for announcements this week!". They added that "with all the entries in for 2025, it's amazing to see how many areas of Kent the competition covers!" Born in 2021, *The Smash* now enters its fifth season in 2025 and will be its biggest and best yet. With over 40

teams, ranging from Kent Premier League teams to Kent Village League teams, it continues to cater for cricketers of all abilities. *The Smash* culminates with Finals Day where teams will play for the Cup, Plate, and Bowl at the home of Sevenoaks Vine Cricket Club. Last year, the competition also launched The Junior Smash which serves to provide junior cricket for boys and girls from U11 to U15 throughout the summer holidays culminating in their own finals day.

WEST KENT TEAM WITHOUT HOPE AS RELEGATION LOOMS!

Ide Hill Football Club will be relegated from the top tier of the Kent County Football League this weekend should they not secure a point and hope that all other results go their way for the rest of the season - something that is extremely unlikely to happen in all honesty. After a number of successful seasons in the past few years, Ide Hill have won just two of their 25 league games this season and sit rock bottom of Kent's Premier Division. A reboot in Division One is clearly needed for this much-loved West Kent footballing side.

SKIING AND SNOWBOARDING IN FRANCE: THE ULTIMATE GUIDE

As winter fades and spring begins to make its presence felt, March is one of the best times to hit the slopes in France.

With longer daylight hours, milder temperatures, and a perfect balance of fresh snow and sunshine, it's the ideal time for skiing and snowboarding enthusiasts to enjoy the French Alps. Whether you're an expert carver or a beginner hitting the slopes for the first time, here's everything you need to know about skiing and snowboarding in France this March.

Why March is the perfect time for Skiing and Snowboarding

March brings some of the most enjoyable skiing conditions of the season. Snowfalls remain consistent at higher altitudes, while the weather is generally more pleasant, making it easier to spend the entire day on the slopes. The crowds start to thin out after the February school holidays, meaning shorter lift queues and more space to carve your turns. Another perk? March often sees great deals on ski passes and accommodation, making it a budget-friendly time to visit compared to peak winter months.

Top Ski Resorts to Visit in France this March

1. Val d'Isère and Tignes

For those seeking world-class skiing and a vibrant après-ski scene, Val d'Isère and Tignes offer a high-altitude paradise with guaranteed snow. The Espace Killy ski area provides over 300 km of pistes, catering to all levels of skiers and snowboarders.

2. Chamonix

A must-visit for advanced skiers and snowboarders, Chamonix boasts some of the most challenging off-piste runs in the world. Mont Blanc provides a stunning backdrop, and the legendary Vallée Blanche descent is a bucket-list experience for experienced riders.

3. Les Trois Vallées (Courchevel, Méribel, Val Thorens)

As the largest ski area in the world, Les Trois Vallées is a top choice for March skiing. With Val Thorens sitting at 2,300m, it ensures excellent snow conditions well into the season.

Courchevel offers luxury experiences, while Méribel provides a fantastic mix of runs and après-ski fun.

4. La Plagne and Les Arcs (Paradiski)

With varied terrain across two resorts, the Paradiski area is ideal for families and intermediate riders. The high-altitude glacier skiing ensures reliable snow conditions, and the picturesque tree-lined runs add to the charm.

What to expect on the slopes

- **Snow conditions:** March typically offers excellent snow quality, especially in higher-altitude resorts. Expect a mix of powder days and sunny spring skiing conditions.
- **Weather:** Temperatures are milder, so layering is essential. Bring sunscreen, as the spring sun can be surprisingly strong.
- **Après-Ski and events:** March is full of lively après-ski activities, music festivals, and fun events on the slopes. Resorts like Val d'Isère and Méribel are known for their legendary après-ski scenes.

Tips for a successful Ski trip

- **Book accommodation in advance:** While March is less crowded than peak season, it's still wise to secure your lodging early to get the best deals.
- **Go High for the best snow:** Stick to resorts with higher altitudes (1,800m and above) for the most reliable snow conditions.
- **Protect your skin:** The combination of high-altitude sun and reflective snow makes sunscreen a must-have.
- **Check for spring deals:** Many resorts offer discounts on ski passes, lessons, and equipment rentals in March.
